Sample Downloadable Meter Point Files

v13.00.00 Market Release – Draft 1 Sample

31st March 2020

The focus of this presentation pack is to outline the changes being incorporated as part of the v13.00.000 Market Release to the Downloadable Meter Point Files.

The following Downloadable Meter Point Files are impacted:

- DOM_CUST (Domestic MPRN Details)
- COMM_CUST (Commercial MPRN Details)
- DOM_REG (Domestic Meter Register Details)
- COMM_REG (Commercial Meter Register Details)

Please note there are no changes to the UNMT_CUST as part of the v13.00.00 Market Release therefore no sample file will be shared.

Samples files incorporating the changes will be shared in addition to this pack. Please refer to the [v13.00.00 Release Supporting Material](#) page on the RMDS website for more information.

DOM_CUST (Domestic MPRN Details)

V13.00.00 Market Release Changes

5 New Columns and associated data values will be introduced as part of the v13.00.00 Market Release:

1. Smart Data Services

- 01 – Interval Services
- 02 – Non Interval Services

2. Comms Technically Feasible

- 01 – Comms proving failed
- 02 – Non Interval Services Standard
- 03 – Interval Services Standard
- 04 – Remote Re-energisation Pre Payment standard of quality

3. Smart Non Participation

- 02 – Non Technical Non Participation
- 03 – Multiple Visit No Access
- 04 – Smart Meter Exchange Deferred

4. DUoS Billing Frequency

- B – Bi-Monthly

5. DUoS Billing Cycle

- 01 - 41

DOM_CUST (Domestic MPRN Details)

Current Column Headings:

```
domS_CUST - Notepad
File Edit Format View Help
MPRN|Meter Point Status|House No|House No 2|street2|street|street3|street4|street5|City|Region|Postal Code|Country|Class|MIC|Voltage|MCC|Cycle Day|
|Estimate|Profile|SSR1|SSR2|SSR3|SSR4|SSR5|SSR6|SSR7|SSR8|SSR9|DIS_ON_EXT|PSR1|PSR2|MED_INST
```

New Column Headings will be appended after the MED_INST column:

```
domS_CUST - Notepad
File Edit Format View Help
MPRN|Meter Point Status|House No|House No 2|street2|street|street3|street4|street5|City|Region|Postal Code|Country|Class|MIC|Voltage|MCC|Cycle Day|
|Estimate|Profile|SSR1|SSR2|SSR3|SSR4|SSR5|SSR6|SSR7|SSR8|SSR9|DIS_ON_EXT|PSR1|PSR2|MED_INST |Smart Data Services Code|Comms Technically Feasible|
|Smart Non Participation Code|DUoS Billing Frequency|DUoS Billing Cycle
```

Two existing columns will present new data values which are being introduced as part of the v13.00.00 Market Release:

1. MCC

- MCC12 - HH1CH_1CR_IP2
- MCC16 - SST IMP

2. Profile

- 25 – Urban domestic SST
- 27 – Rural domestic SST
- 29 – Non-domestic SST

COMM_CUST (Commercial MPRN Details)

V13.00.00 Market Release Changes

Five new columns and associated data values will be introduced as part of the v13.00.00 Market Release:

1. Smart Data Services

- 01 – Interval Services
- 02 – Non Interval Services

2. Comms Technically Feasible

- 01 – Comms proving failed
- 02 – Non Interval Services Standard
- 03 – Interval Services Standard
- 04 – Remote Re-energisation Pre Payment standard of quality

3. Smart Non Participation

- 02 – Non Technical Non Participation
- 03 – Multiple Visit No Access
- 04 – Smart Meter Exchange Deferred

4. DUoS Billing Frequency

- B – Bi-Monthly

5. DUoS Billing Cycle

- 01 - 41

COMM_CUST (Commercial MPRN Details)

Current Column Headings:

```
COMM_CUST - Notepad
File Edit Format View Help
|MPRN|Meter Point Status|House No|House No 2|street2|street|street3|street4|street5|City|Region|Postal Code|Country|Registration Status|
|Connection Agreement|Class|MIC|Essential Plant|Voltage|MCC|QH Eligibility|Cycle Days|Profile|Notif.Name c/o|Notif.House No|Notif.House No 2|
|Notif.street2|Notif.street|Notif.street3|Notif.street4|Notif.street5|Notif.City|Notif.Region|Notif.PostCode|Notif.Country|Settlement Class|Grid ID|
|Distrubution Loss Factor|Transmission Loss Factor|Title|Surname|First Name|Org.Name 1|Org.Name 2|Registered Company|Trading As|Generating Unit|MEC|
|Read Frequency|Trading Site Flag|CA01|CA02|CA03|CA04|CA05|CA06|CA07|CA08|CA09|CA10|
```

COMM_CUST (Commercial MPRN Details)

New Column Headings will be appended after the CA10 column:

```
COMM_CUST - Notepad
File Edit Format View Help
|MPRN|Meter Point Status|House No|House No 2|street2|street|street3|street4|street5|City|Region|Postal Code|Country|Registration Status|
|Connection Agreement|Class|MIC|Essential Plant|Voltage|MCC|QH Eligibility|Cycle Days|Profile|Notif.Name c/o|Notif.House No|Notif.House No 2|
|Notif.street2|Notif.street|Notif.street3|Notif.street4|Notif.street5|Notif.City|Notif.Region|Notif.PostCode|Notif.Country|Settlement Class|Grid ID|
|Distrubution Loss Factor|Transmission Loss Factor|Title|Surname|First Name|Org.Name 1|Org.Name 2|Registered Company|Trading As|Generating Unit|MEC|
|Read Freqency|Trading Site Flag|CA01|CA02|CA03|CA04|CA05|CA06|CA07|CA08|CA09|CA10|Smart Data Services Code|Comms Technically Feasible|
|Smart Non Participation Code|DUoS Billing Frequency|DUoS Billing Cycle
```

Two existing columns will present new data values which are being introduced as part of the v13.00.00 Market Release:

1. MCC

- MCC12 - HH1CH_1CR_IP2
- MCC16 - SST IMP

2. Profile

- 25 – Urban domestic SST
- 27 – Rural domestic SST
- 29 – Non-domestic SST

DOM_REG (Domestic Meter Register Details)

V13.00.00 Market Release Changes

Two existing columns will present new data values which are being introduced as part of the v13.00.00 Market Release:

1. Time of Use

- 01D - 08:00-17:00 & 19:00-23:00 Day Consumption
- 01N - 23-08 Night Consumption
- 01P - 17:00-19:00 Peak Consumption

2. Register Type

- 70 – Import HH kW
- 78 – Day Off Peak
- 79 – Night Off Peak
- 80 – Peak

COMM_REG (Commercial Meter Register Details)

V13.00.00 Market Release Changes

Two existing columns will present new data values which are being introduced as part of the v13.00.00 Market Release:

1. Time of Use

- 01D - 08:00-17:00 & 19:00-23:00 Day Consumption
- 01N - 23-08 Night Consumption
- 01P - 17:00-19:00 Peak Consumption

2. Register Type

- 70 – Import HH kW
- 78 – Day Off Peak
- 79 – Night Off Peak
- 80 – Peak

End
