# CRU Update

- **Government Electricity Credit Scheme IV:** Final payment period has now passed, but suppliers are asked to continue reporting weekly.
- **Change in date of final weekly report:** Section 3.4 of CRU Guidance Document had stated weekly reporting would cease at end of June, but as majority of customers are now credited the CRU has decided to bring this data forward to end of April (final weekly report Friday 25<sup>th</sup> April).
- One final 'weekly style' report will be required from suppliers upon the return of unallocated credits on 16<sup>th</sup> September.

- **Retail market monitoring:** Suppliers are asked to please:
  - Report on tariffs for all months in the quarter
  - Please insert 'Name of Plan' (P24) parameter with the public name of the tariff
  - Respond to questions sent by Finn Crowe regarding Q4 submissions
