Industry Governance Group

27th August 2025

CRU Update

- **Additional Customer Protection Measures 2025/26**
 - **CRU expects to publish shortly, pending Commission approval**

CRU Update

■ Govt. Electricity Credit Scheme IV

- Unallocated credit report templates were issued through the IGG mailing list on Friday 15th August
- Where unallocated credits are being returned to ESN, one report should be submitted per each Effective Date [the Effective Date must also be noted in the file name and sheet name]
- Suppliers should only submit unallocated credit reports between the 9th – 16th September 2025 inclusive
- The return of the unallocated credits must be accompanied by a final 'weekly style' report which will be circulated to supplier's w/c 9th September
