Industry Governance Group (IGG)

Version 1

27th August 2025

New Entrant and Market Participant Assurance Activity

- **New Entrant Assurance**

- Two new market entry applications are currently being processed.

- **Requalification and Material Change Assurance**

- There is a lot of activity with Supplier changes, with a number quite major which is higher than usual.
- Seven material change / requalification applications are currently being processed.
- Would recommend providing as much advance notice as possible when a change is known, allows all stakeholders to plan accordingly.

Thank you
