

Retail Market Design Service – Update

6th May 2026

Outages

26th May 2026 – – Essential Security Patching – AMI Systems – 9am to 2:30pm.

In order to assist in the organisation of IGG meetings, distribution lists and accurate IGG minute taking RMDS are proposing to introduce a few changes to how IGG meetings are managed and circulated

[Link](#) – No changes required to IGG Governance document

1. Changes to IGG Meeting Access

- IGG meeting link will no longer be included in RMDS-issued emails
- IGG meeting link will no longer be available on the RMDS website
- IGG Reps will receive a meeting invitation

2. Attendance Requirements

- Attendees must enter their name + company in the meeting chat when joining
- In-person meetings at CRU offices will use a physical sign-in sheet

3. Distribution List Management

[Link](#) – No changes required to IGG Governance document

RMDS will contact all Market Participants every 6 months to ensure distribution lists remain accurate

- Distribution lists maintained:
 -  IGG Representatives (Primary & Secondary)
 -  IGG General Distribution List
 -  IGG Technical & Outage Notifications
 -  IGG Weather Notifications

Thank You
