Message

## 011 Cancel Registration Request

### 011 Valid Codes

#### Cancellation Reason

CR - denotes that the customer requested not to proceed with the contract to supply.

OS - denotes that the Supplier is cancelling in response to an objection. This code should be used for Change of Supplier only.

SE - denotes that the Supplier registered the Meter Point in error but cancellation is not as a result of an objection

DE - denotes that the Suppliers is cancelling in response to an objection for Debt

ME – denotes that the Supplier is cancelling in response to a request from a customer due to change of mind during the Cooling off Period

#### **Please Note:** The MPRN must either

- have a current registration, effective within the previous 65 days, to the requesting Supplier ID; or
- be in the process of being registered for a Change of Supplier by the requesting Supplier ID; or
- be in the process of being registered as a New Connection by the requesting Supplier ID and not yet be energised
