

208 Replacement Readings

208 Valid Codes
Read Reason
26 – Change of Supplier
Read Type
RC - denoting a Replacement Reading for a Change of Supplier
Please Note
Message 208 should only be sent when: Message 310 or 320 has been received and the replacement reading has been agreed with the other Supplier involved. Readings must not be provided for Maximum Demand registers.
Read Date
It should be the date of the reading being replaced as communicated on message 310 or 320.
Readings
The Data Processor will expect a reading for every consumption and wattles register installed at the Meter Point. The Data Processor will not replace previously used Maximum Demand register readings based on data this message.
