# Objective for today

**The objective of these workshops is to classify each MCR by consensus as:**

- **Included for prioritisation**

  - Has a Significant improvement for all Suppliers and/or Network Operator(s) in terms of increased efficiency, reduced transaction time , reduced work effort and/or compliance. These will be brought forward for Network Operator Impact assessment.

- **Not included for prioritisation**

  - Is not immediately required as the market has functioned without its implementation to date satisfactorily without significant additional impact on MPs. These will not be brought forward for the Network Operator Impact assessment for this release but if a synergy is identified it may be included in a package option.

- **Withdrawn**

  - MPs agree that this MCR is to be assigned a permanent classification of "Withdrawn". If a similar requirement arises in the future a new DR shall have to be raised.

| MCR1158 - Smart Metering Customer Data Changes |
| MCR1159 - Smart  Metering Change of Supplier |
| MCR1160 - Smart Metering Meter Works |

# [MCR0069](#) – Irish Language Character Set

| MCR0069 | Details | | |
|---|---|---|---|
| Date Raised | 08.03.2006 | Date Approved | 04.11.2015 |
| Requesting Organisation | ESBN | Jurisdictional Implementation | Both |
| Version History | Updated to V2.0 in 2015 | | |
| Prioritisation History | 2009 – 22nd of 22 , 2013 – 7th of 8, 2016 9th of 19 and 2017 – 9th of 9 | | |
| Change Summary | To allow Market Participants communicate using the full Irish character set, It is proposed to modify the XML schema to allow all MPs to send and receive the following:<br>á, é, í, ó, ú, Á, É, Í, Ó, Ú<br>This will involve an amendment to the definition of the Market Free text type character set. | | |
| Notes | Version update in 2015 was to note potential dependencies between gas and electricity and also jurisdictions for implementation | | |

# MCR0073 – Proposal to make first name mandatory on Market Messages.

| MCR0073 | Details | | |
|---|---|---|---|
| Date Raised | 05/01/2006 | Date Approved | 04/11/2015 |
| Requesting Organisation | ESBN | Jurisdictional Implementation | Both |
| Version History | Updated to V4.0 in 2015 – updated to suggest Eircodes may alleviate requirement. | | |
| Prioritisation History | 2009 - 21st of 22, 2010 -12th of 14, 2013 - 6th of 8, 2016 -10th of 10 and 2017 – 8th of 9 | | |
| Change Summary | *The reason the MCR was initially raised was to ensure that where a supplier provides a 'Person' type name that First Name be considered mandatory. Making first name mandatory would assist in*<br>• *Improving the quality of customer data held.*<br>• *Making customers in rural areas more readily identifiable, speeding up completion of service orders.* | | |
| Notes | (Update as of 28.10.15) – …. *It is suggested that the reasons stated above for the implementation of mandatory first names may be achieved through the introduction of Eircodes either completely or partially. It is suggested that when assessing the MCR during future prioritisation exercises, that the current context of Eircodes be taken into consideration by MPs.* | | |

# MCR176 – Email Address Validation

| MCR176 | Details | | |
|---|---|---|---|
| Date Raised | 07/05/2009 | Date Approved | 14/8/2013 |
| Requesting Organisation | RMDS | Jurisdictional Implementation | Both |
| Version History | Updated to V3.0 in 2013 – Amended to include NI impacts | | |
| Prioritisation History | Prioritisation rating as follows:  2010 – 13th of 14, 2013 8th of 8, 2016 5th of 10 and 2017 4th of 9 | | |
| Change Summary | *The upgrade to the Central market system (to SAP ERP6) has included new functionality which validates the format of email addresses. Currently there is no validation on email address formats. Market Participants will need to adhere to the new email address format. If the validations fail, the inbound message will be rejected with associated rejection message and code EMA.*<br>*Inbound Messages impacted: 010, 013, 016, 017*<br>*Outbound Messages impacted: 014R, 101R, 102R, 116R, 117R* | | |
| Notes | *Suppliers are requested to follow the outlined email address standards from this MCR with immediate effect. This will reduce the number of errors within the Central Market System.* | | |
